FAQ and helpful tips

My company domain has been granted access to self–paced training but I still do not see the free catalogs in my Course Catalog.

Go to “My Profile” and check the field “company email (for access to training)” is filled in with your email address.

Still do not see catalogs DB001 through DB004? Check with your account team or submit a support ticket for further assistance.

Where do I find past and completed trainings?

Past trainings can be found under “My Courses and Learning Plans” in the User Menu.

How do I see my certification and badges?

We have moved to a digital certificate and badging system, which is more secure and allows for digital verification. To access your credentials, visit credentials.databricks.com. Click Sign In on the upper right–hand corner. On the Sign In page, you can either provide your email and password if you have an [Accredible account](#) or, you can retrieve your credentials without a password.

Note: To view certification exam credentials, please provide the email address you used when you registered for the exam with Kryterion on webassessor.com/databricks.
